## ABOUT GILAD SEGEV - PASSERBY

Leading the **Project Heroes** is Gilad Segev, an Israeli singer-songwriter and musician **known internationally as Passerby**.

Segev's profound involvement in the project stems from his initial release, "Achshav Tov" dedicated to his brother who lost his life while serving in the IDF. The song garnered widespread recognition, becoming **the most played track on Israeli radio stations** that year.

Subsequently, Segev established a successful career with **10 number 1 hits in Israel** and **millions of followers internationally** for his Passerby project.

Notably, Gilad is the son of a Brigadier General who served as the governor of the Gaza Strip and held the position of the last military attaché in Iran. Additionally, he is the child of a mother who is a Holocaust survivor.

**Gilad's personal narrative intertwines with recent events in various ways.**
